CD

Minimal Harp (CD) € 1 4

Floraleda Sacchi (Harp & percussion)

Program: World première recording of pieces by Lou Harrison, Henry Cowell, Michel Nyman, Philip Glass, Arvo Pärt, György Ligeti, Nicola Campogrande, Peter Machajdik, John Cage
2008, DECCA (Universal Music)

"This is a seductive, rather than flamboyant, recital that offers surprising, albeit subtle, rewards to the open-minded listener."

Art Lange, Fanfare

Suite en Duo € 1 2

Claudio Ferrarini (flute), Floraleda Sacchi (harp)

Program: Satie (Gymnopedie), Glass (Open the Kingdom), Piazzolla (Histoire du Tango), Cras (Suite en duo), Shankar (Enchanted Dawn), Rota (Sonata)
2007, PHILIPS 476 5978

"With Suite en Duo one thinks there are still CDs worth to buy, even just for the expressive use of harp and flute. Just after the first listening one realizes both instruments are played by expert musicians who think before playing."

Guimart, Caffè Letterario

Jan K. Krumpholtz: Six Sonatas op. 8 € 1 0

Claudio Ferrarini (flute), Floraleda Sacchi (harp)

2005, Aulia A69003

"This disc is an eye- and ear-opener and positions Krumpholtz as the Vivaldi of the Harp: Loved by the public, revered by musicians and acclaimed by critics. His vivid, lively, spontaneous pieces full of energy and well-dosed melancholy woefulness merit this comparison in every second and the Duo add to this a dreamy sense of elevation. Their dense, deep and dynamic interpretation seems to stem not only from the score, but from an intuitive understanding of its spirit."

T. Fischer, Tokafi.com

Chiaroscuro Harp. € 1 0

Floraleda Sacchi (harp).

Program: Music by Floraleda Sacchi and Michael Hoppé. 14 pieces for harp accompanied by flute and cello in some tracks.

2007, iTunes Originals / Amadeus Arte

"At dawn or at sunset, when the border between the luminosity and the dark get confused, it seems that every thing expresses at best its essence. With Chiaroscuro Harp I thought to the magic of these moments, when the opposites seem to meet."

Floraleda Sacchi

Sophia Corri Dussek (CD) € 1 4
